

Nature Scavenger Hunt

1. Find 5 cool rocks and make a tower.
Hint- put the biggest rocks on the bottom.

2. Find a spiderweb with the spider.
Has the spider caught dinner yet?

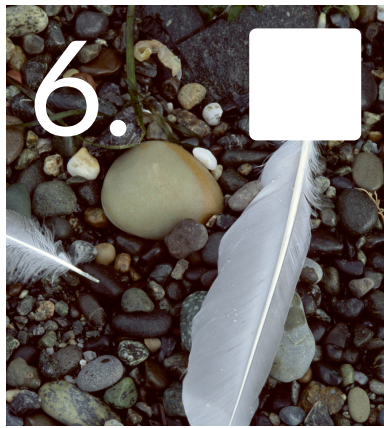

3. Find a cloud that is shaped like an animal and pretend you are that animal!

4. Find animal tracks and follow them as far as you can!
Hint- look near water.

5. Find a log on the ground, flip it over and count as many bugs as you can before they run away!
Hint- look in shady areas.

6. Find a feather.
Hint- this takes patience, they are hard to find.
If you can't find one look for a cool bird!

7. Find a leaf that has holes.
What might have made that hole?
Hint- look for bugs nearby!

8. Find small sticks and make a stick house.
Hint- try pushing sticks into the ground to make sturdy walls.
